RULING WITHOUT RIVALRY

Babyatrice is the precocious, self-proclaimed Queen of the castle where she reigns supreme. Surrounded mostly by adults, she's been assimilating everything since she could talk.

Vivacious Babyatrice doesn't beat around the bush and never ceases to impress with her imagination and her frank-speaking observations. Each day is a new adventure, and her subjects PapaGuy, Momanie, Grandma Suzanne, Grandpa Norman, her big brother Theo, her friend Arthur, and her dog Attack had better be on their toes!

Extroverted and manipulative, she manages to remain endearing and will sweep you off your feet... whether you like it or not.

This web series, composed of several clips of approximately 4 to 6 minutes each, captures her royal escapades and delightful mischief.
