## PUT OFF ADULthood, BEFORE IT'S TOO LATE

**S1:** The Invincibles follows four friends facing their thirties who, realizing they've missed out on youthful adventures, decide to embrace irresponsibility and romance before it's too late.

**S2:** A year after Carlos abruptly left Lyne at the altar, his sudden return revives old friendships and sparks a transformative rally, shaking up the lives of his friends and past loves.

**S3:** Two years after their adventurous rally, Steve, P-A, Rémi, and Carlos are now happily settled with their partners but the women in their lives might be ready for their own fun and freedom.
